

Renaissance Amsterdam Hotel – Shift Engineer

DISCOVER THIS WAY

Exploring the world doesn't have to stop when the working day starts.

At Renaissance Hotels we know your passion for discovery is more than a hobby, it's a career.

We are looking for a **Shift Engineer** to join our team!

What are my responsibilities?

As a Shift Engineer you will be part of the Engineering department. You will:

- Perform day to day maintenance work in hotel rooms, public areas and back of house areas.
- Respond and attend to guest repairs requests and communicate with them in a professional manner.
- Perform proactive maintenance on tools and equipment.
- Visually inspect tools, equipment and machines.
- Report any serious maintenance problems, unusual findings or safety hazards immediately to the manager/supervisor.

What are we looking for?

You were always one of those curious kids who opened every cabinet, peeked behind every door, and never ceased to ask "why" when given an explanation. Today, you bring your personal style to every experience. You live life to discover. You are passionate about your neighborhood, always looking to explore the places one wouldn't find in a travel guide. If this sounds like you, you're in the right place. You've got authentic style, natural curiosity and a warm way with people. Renaissance is not just a place to spend the night, it's a place to discover, a place in the world with style like yours. That's why we're not just looking for anyone. We're looking for someone like you.

To be eligible for this position you...

- Have good communication skills in English, Dutch is always a plus.
- Eager and ready to learn and develop your skills in maintenance department.
- Proactive and great problem solver, with previous experience with DIY or similar.
- Have a hospitable personality with a "can do" attitude.
- Are be flexible and able to work in different shifts (day, evening, weekend).
- Are eligible to work in the Netherlands.

Here is what you can look forward to:
